

BEYOND PTCS FEES

I aim to offer an accessible and affordable service, to enable you to take the trip you desire.

Yes, engaging a **Personal Travel Companion** (PTC) does add extra cost to your trip. You pay travel costs and associated expenses for your PTC, as well as a PTC Fee.

Travelling with a PTC means you'll be able to enjoy a truly joyous travel experience to remember forever. It will add special elements that are hard to quantify and positively priceless. It's up to you to consider and weigh up the value and benefits.

Because each journey is unique, and every component within it is slightly different, the PTC Fee is personally tailored to your own individual journey.

A trip that requires me to be fully alongside you every step of the way is quite different to one where I am accompanying you to a destination and leaving you to stay with family or friends.

A journey to a nearby town or city is not the same as a trip across the world.

Every trip is important and, in structuring the PTC fee, I will take into account your personal requirements and expectations, specific elements within your trip, as well as your budget.

I provide a write-up and photo overview at the completion of the trip as a keepsake of the trip. If you would like this captured in a professional photo book, this is possible at an additional cost.

PTC Fees - Overview

Things to consider when contemplating if you would like to engage me as a **Personal Travel Companion**:

- The client covers the full cost of PTC (Personal Travel Companion) travel and expenses, in line with the client's itinerary, on a separate room basis.
- A PTC Fee is payable for the service – see below.
- A Planning & Preparation Fee is additional, if you require assistance in planning your trip.
- I am based in Auckland.

PTC Fees - Structure

- A single day rate – for journeys that are less than 24 hours i.e. day trips, not overnight.
- A daily rate – for journeys that are 24-hour duration or longer but are less than 7 days.
- A weekly rate – for journeys that take in a 7-day period or more (discount for second/third week and beyond).

NB: If I drive you to your destination in my vehicle, a mileage rate will be factored in to the fee. All travel costs - airfares, accommodation, transfers as necessary - are additional to the PTC Fee.

IMPORTANT NOTE: You will need to make your own travel insurance arrangements as soon as the trip is confirmed and booked. If you have pre-existing conditions, be sure to investigate and arrange appropriate cover to take this into account.

SUMMARY:

The final cost will depend on the nature of the engagement and the services required.

A deposit will be required upon engagement of the PTC service, with the balance to be paid prior to departure.

Our professional service will ensure maximum enjoyability for you.
